
Why stress testing matters for banks

Marc Irubétagoiena*¹

¹BNP Paribas - Stress Testing and Financial Synthesis – BNP Paribas – France

Abstract

In my talk I will address the following points:

- What is stress testing in a financial institution context?
- Why is it seen as a powerful tool both for the supervisors and institutions?
- Which are the challenges faced by the institutions with their stress testing frameworks?
- Why the Chaire has been launched and BNPP's expectations out of it?
